# Digital Pedagogies for the 1:1 Classroom

2013-14 CTE eLearning Series

The rise of 1:1 computing in K-12 schools (in which all students have a laptop or tablet computer) is radically changing how teachers teach and students learn. The Center for Technology in Education (CTE) and Student Education Association (SEA) will host an open house showcase of exciting innovations in classroom technologies. Short presentations and digital poster sessions will allow guests to meet with other educators and explore new technologies.

**INTENDED AUDIENCE:** SEA members, teacher education students, teacher education faculty, and local teachers

**WHEN:** Thursday October 3<sup>rd</sup>, 2013, 7:00-9:00 p.m.

**WHERE:** The CTE iStudio, West Quad 407

## Currently Scheduled Presentations and Exhibits:
