

Ball State University
Office of Research Integrity

Peer Mentor Program

Peer Mentor Program: What's Offered?

- ◆ **Office Hours:** Graduate Assistants will be available by appointment or during walk-in office hours for individual consultation. Students can ask questions about writing a protocol, submitting through IRBNet, or any other issues that might come up in the submission process.
- ◆ **Training Presentations:** Call our office or use our website to schedule a presentation for a classroom or research lab. Presentations are available on a variety of topics related to graduate student research.
- ◆ **Online Presentations:** For individuals looking to learn more about the IRB or protocol submission, all of our presentations are also available on the Office of Research Integrity website as PowerPoint Presentations or handouts.
- ◆ **Education Gateway:** The Office of Research Integrity website has a variety of resources for researchers in every step of the submission process. Browse the website for handbooks, tutorials, step-by-step manuals, and presentations.
