## EVIDENCE / COMMENTS

Elizabeth -  
 your entire unit for Civic virtues is fantastic. Your planning is very thoughtful and thorough. The activities you have planned for student are so meaningful, timely, and appropriate.

The work today at MOMS was no exception. The power in what you gave the students →

Special Needs  
 G/T

Very thoughtfully planned. It was great that, as a class, you

you need to continue to work on this. I'm certain as you gain more experience beyond confidence level will grow!!

### REFLECTION:

- What were the strong points of your lesson?
- Did you meet your teaching objectives for this lesson?
- How did you or will you assess student learning in this lesson?
- What might you do differently if teaching this lesson again?
