

Troubleshooting the Internet Connection in your iPad

Center for Technology in Education • Muncie, IN 47306 • 765-285-7600 •
www.bsu.edu/cte • cte@bsu.edu

Clear History, Cookies and Cache

Step 1: Open *“Settings”* application in your iPad

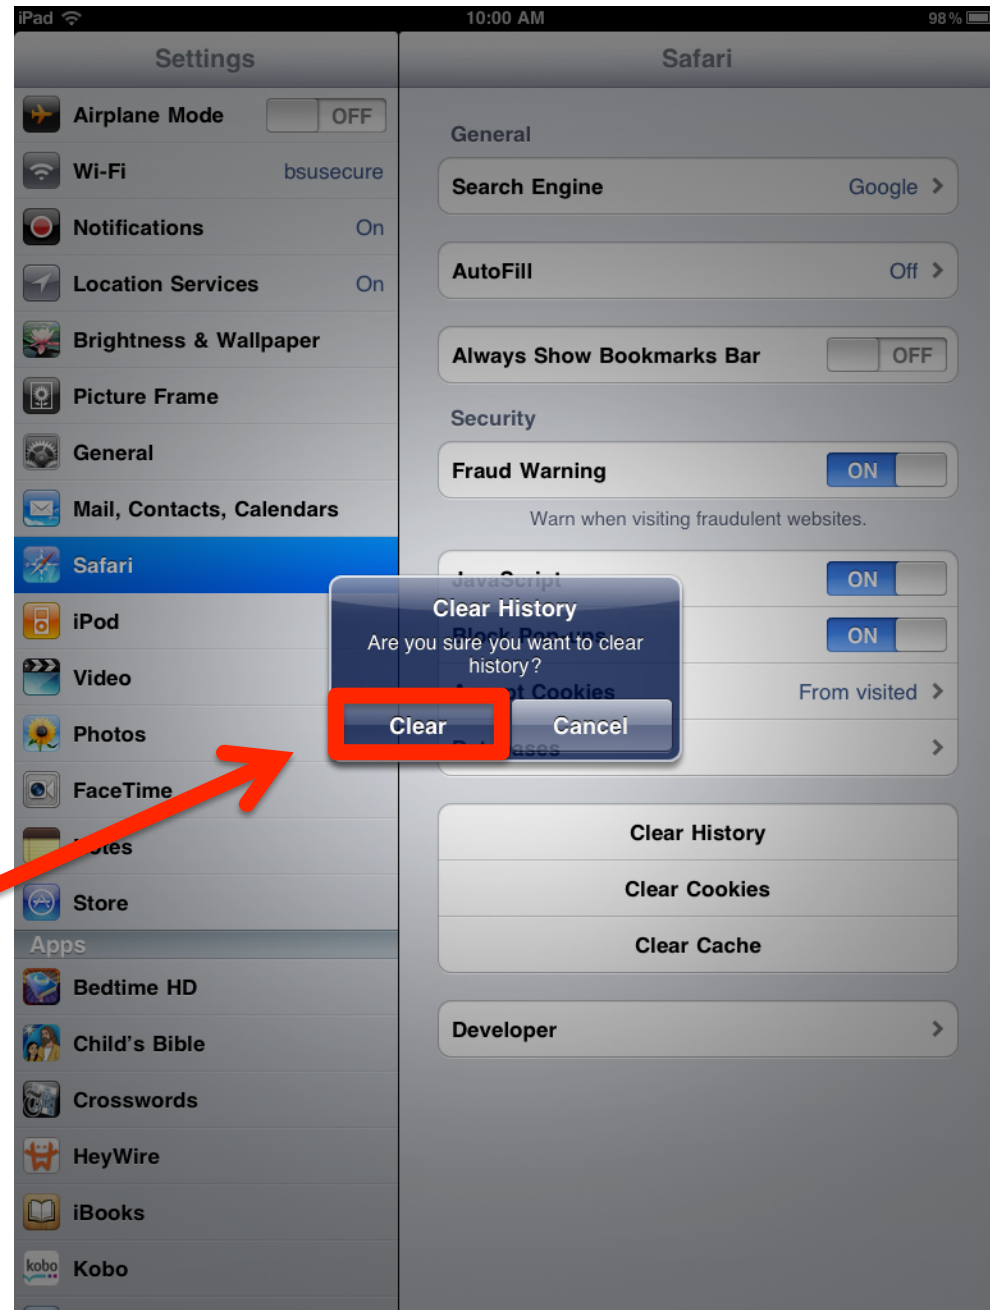

Step 2: Select
“*Safari*” in the left
menu

Step 3: Select
“Clear History”

Step 4: A message will pop up asking if you are sure that you want to delete the History. In this case you will select *“Clear”*

Step 5: Repeat Steps 3 and 4 to delete Cookies and Cache

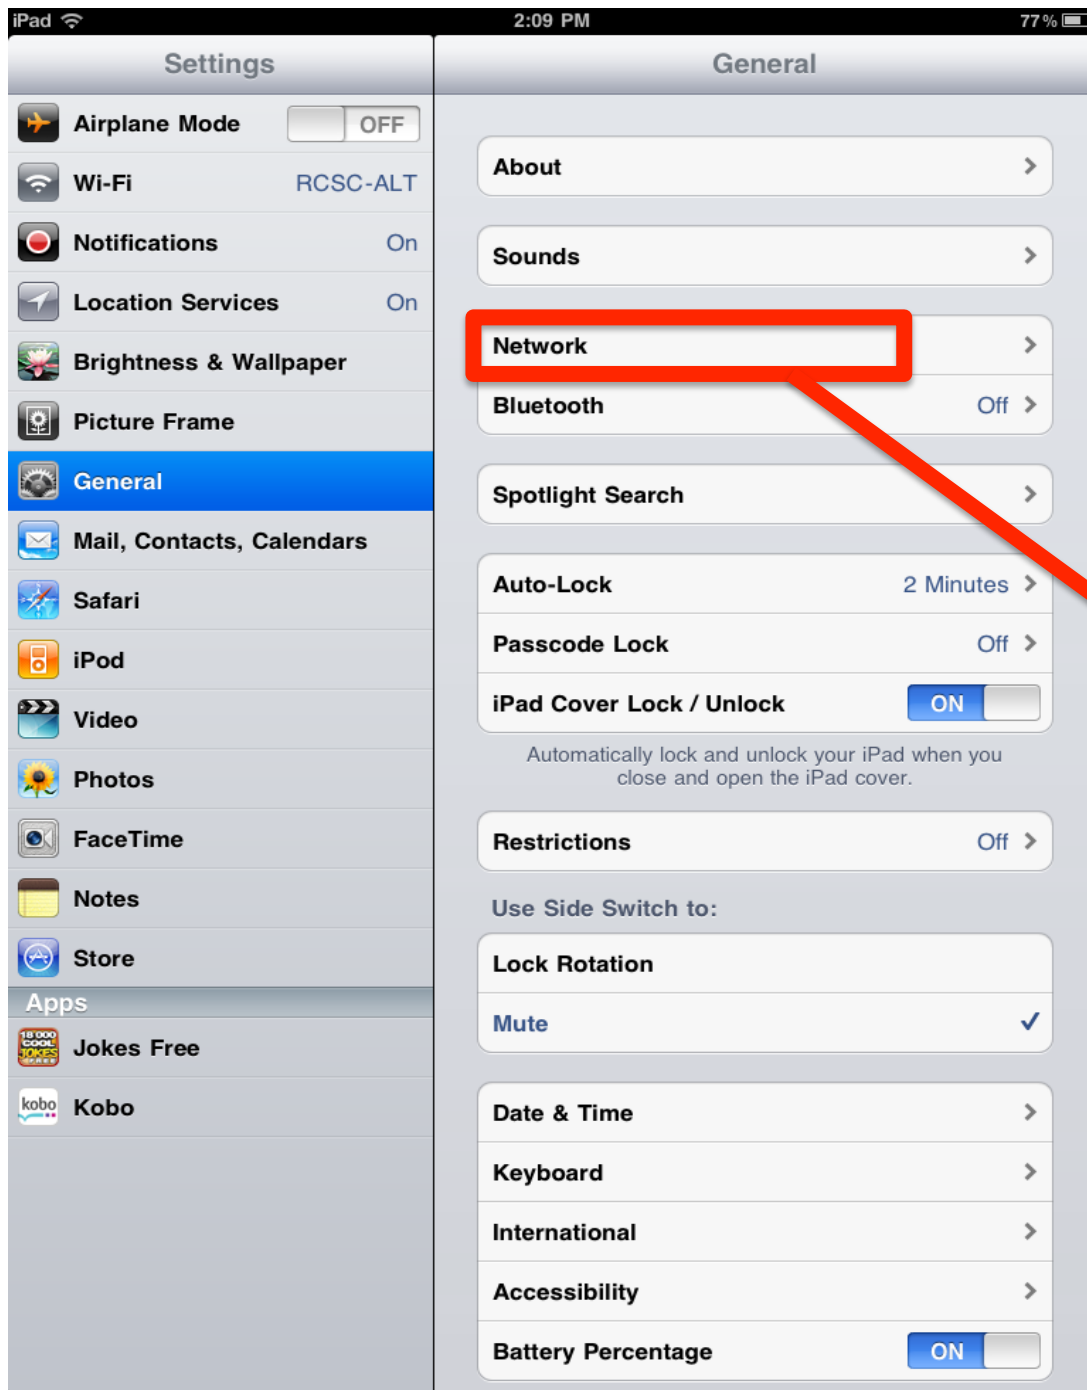

Proxy Server Setting

Step 1: Open “*Settings*” application in your iPad

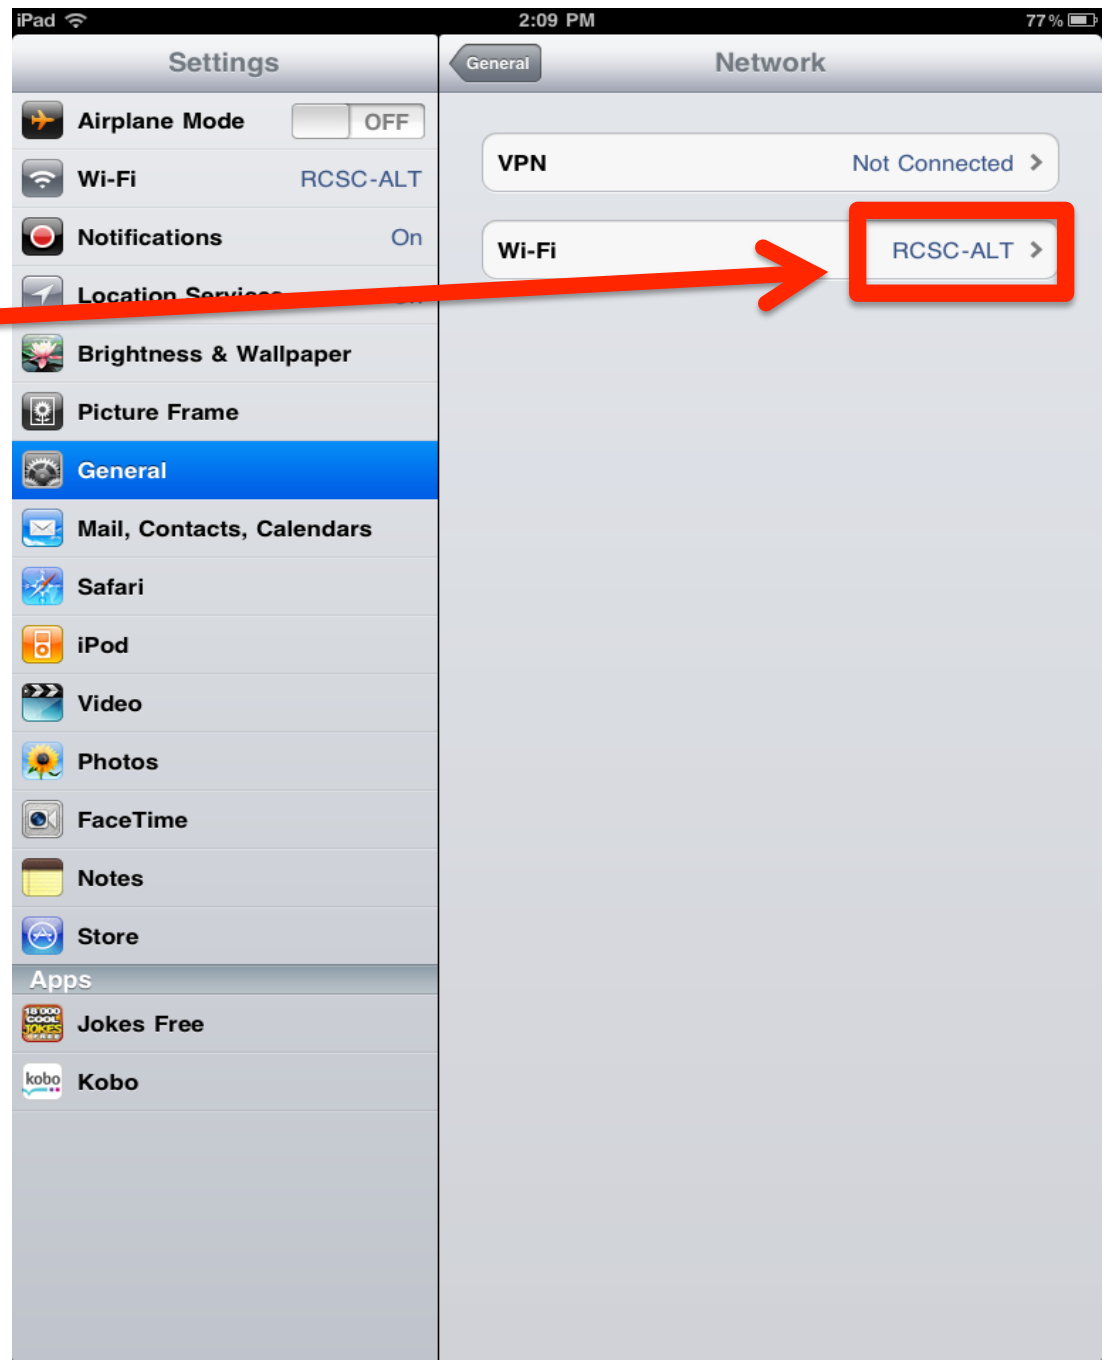

Step 2: Select the
"General" tab

Step 3: Click
"Network" in
general screen

Step 4: Make sure Wi-Fi is on **RCSC-ALT**. Then click RCSC-ALT. If it directs you to put in a password the password is poi765cxz.

Step 5: Click
blue arrow ()
circle next to
RCSC-ALT
network

Step 6: Click on
“Manual”

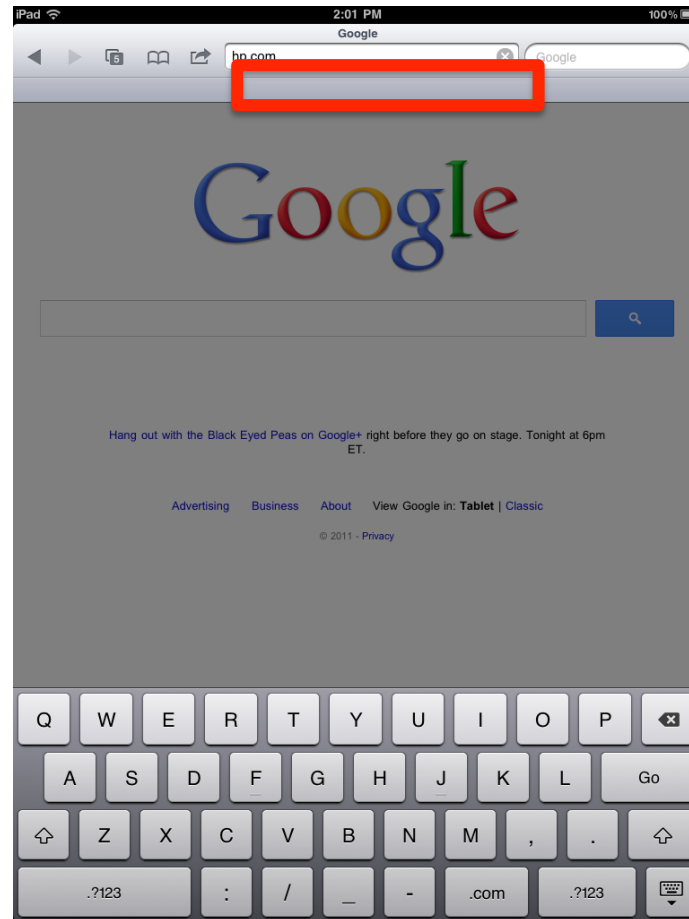

Step 7: Make
sure under
Manual that the
Server is set at
10.2.255.100
Make sure the
Port is also set to
8080

Barracuda Login

Step 1: Open your Safari browser

Step 2: Type any web address.
For instance: www.hp.com

Step 3: Login with to Barracuda with your Randolph Central username and password
